

14<sup>th</sup> September 2010

### **JUNIOR CERTIFICATE RESULTS**

Dear Parents/Guardians,

The results of the Junior Certificate Examination will be published on Wednesday 15<sup>th</sup> September.

As is the tradition, students come to the school to receive their results. We do not expect the girls to attend classes, nor do we expect them to wear their uniforms. They are then free to go home to be with their families for the day.

I will ask the girls to go to a designated classroom when they come in and I will give out the results during the first class.

The Garda Juvenile Liaison Officer has, as in previous years, spoken to all the girls regarding expected good behaviour and practice on Wednesday. It is important to remember that, every year, the vast majority of students in Kilkenny behave themselves very well. Regrettably, a very small few don't and unfortunately the group is let down and misrepresented by this small minority. I hope all will enjoy themselves and behave in a manner that will make you and the school proud of them. Please discuss this issue with your daughter.

The local branch of the "*No Name Club*" is organising a disco for girls and boys who have received their results. Your daughter will receive a ticket for this event with her results (if you have given your consent). This is not a school event and your daughter does not have to attend. Admission to the disco is €10.00 which can be paid at the door. Only those with a valid ticket will be admitted on the night. The cloakroom ticket is €1.00. The event will be held in Cillin Hill from 9.00pm to 12.00 midnight on Wednesday night.

Students who receive their results on Wednesday should be in school the following day at **11.05am**. **Full attendance is expected.**

I wish all well on the day and hope they will be happy with their results and enjoy their day off.

Yours faithfully,

---

Colm Keher  
Principal
